MHOP data collection: example sheet

Diree Godana Teaching Hospital · Under the clinical direction of Dr Godana Jarso, MHOP Clinical Lead · **Example data only, not real patients**

ONE ROW = ONE PATIENT ON ONE DAY. Fill the 4 blue columns on every row. Leave a cell EMPTY if the test was not done. Not sure? STOP and ask Dr Godana.

1 Green tab "ENTER DATA HERE": three example rows (only some columns shown)

	PATIENT (every row)				GLYCAEMIC / CGM		BODY COMPOSITION		CLINICAL MARKERS		LIFESTYLE		DIETARY		BEHAVIOURAL	…
Row	mhop_id	mrn	dob	entry_date	hba1c_mmol	fasting_glucose	weight_kg	bmi	bp_systolic	bp_diastolic	daily_steps	smoking_status	dietary_quality_score	plan_adherence	phq9_score	
3	MHOP-DG-00007	00123	1975-03-09	2026-11-06	44	6.4	72.4	27.1	132	84	8500	Never	7	Partial	5	
4	MHOP-DG-00007	00123	1975-03-09	2026-12-04	41											
5		04567	1962-07-15	2025-03-10	52	7.8	81		145	92						

Row 3 A full visit. All results from the **same day** go on **one row**, across the sections.

Row 4 Same patient, **another day** → a **new row**. Only HbA1c was done, so every other cell stays **empty**.

Row 5 Old record (before Bahmni), no MHOP ID yet → leave **mhop_id empty**. Card number and date of birth must be **exactly** as on NEW PATIENTS.

2 Orange tab "NEW PATIENTS": the old-record patient from row 5

Hospital card number (MRN)	Date of birth	Sex	MHOP diabetes stage	Enrolment date	MHOP ID
04567	1962-07-15	Female	B - Type 2 diabetes	2025-03-10	(leave empty)

Stage Copy the stage the **doctor** wrote in the clinical file: **A** prediabetes · **B** type 2 diabetes · **C** advanced type 2 diabetes. Not written? Ask Dr Godana.

3 Write it like this

Number	✓ **6.4**	× 6.4 mmol/L × <6.4
Big number	✓ **8500**	× 8,500
Date (year-month-day, European calendar)	✓ **2026-11-06**	× 06/11/2026 × Ethiopian date
Test not done	✓ **empty cell**	× NA × 0 × -
Choice (cell with an arrow ▾)	✓ **choose from the list**	× type your own words
Hospital card number	✓ **00123 (same every time)**	× 123 one day, 00123 the next

Finished? Save as MHOP_visits_DATE_INITIALS.xlsx → send to Dr Godana and the Programme Lead (secure route). Red warning box = check the paper.
